North Transept Redecoration – August 2017

We will be re-decorating the North Transept during the month of August and early September.

This will mean some disruption in the church, as all the cupboards, artefacts and the piano will have to be temporarily moved out of the area and plastic sheeting will be placed on scaffolding to protect the rest of the church (particularly the organ). We apologise for the disruption but it is being done at this time to minimise the problems and we are sure that you will all agree that a new coat of paint is required. – The Church Wardens
